

Warwick Township Historical Commission
Meeting Minutes
16 July 2018

Present: Karl Snyder, Linda Walters, Elaine Adams, Jean Sauer

The meeting was called to order at 7:05pm. Karl made a motion to approve the minutes from the last meeting and Linda seconded. Minutes were approved.

Community Day is September 15th and Linda suggested we do a display showing the 'before and after' photos of the Natural Lands Trust property restorations. The hope is to bring awareness to the community about historic restoration/preservation and its importance. Including 'before and after' photos of smaller historic homes and projects throughout the township would encourage property/home owners with their homes.

The status of the Brower Bridge rehabilitation by PennDOT was briefly discussed. No one has any new information.

There being no further business Elaine motioned to adjourn and Jean seconded. Motion carried, and the meeting adjourned at 7:40pm

Next meeting: 20 August 2018

Respectfully submitted,

Jean Sauer, Secretary
Warwick Township Historical Commission
