

# **Warwick Township Historical Commission**

## **Meeting Minutes**

**July 17, 2017**

**Present:** Karl Snyder, Linda Walters, Elaine Adams, Peggy Galloway, Jean Sauer

The meeting was brought to order at 7:02pm by Karl Snyder.

### **Current Business:**

**680 Pine Swamp Road** - Peter and Pandora Lorenzi presented their final restoration plan pursuant of changes requested by the Warwick Zoning Hearing Board. Jean Sauer motioned to approve all changes, Elaine seconded and the motion passed.

**Mansion Road Bridge** also called 'Brower Bridge' – PennDOT will be repairing/rebuilding sections of the bridge due to deterioration etc. The bridge, built in 1927, is located on Mansion Road just south of where James Mill Road forks off to the right. The bridge is part of the Reading Furnace Farm (Class 1 property) property and is listed separately on the National Register of Historic places. The bridge straddles the border between Warwick and East Nantmeal Townships. The two groups will partner together to ensure the project is held to appropriate restoration historical standards.

There being no further business Karl motioned to adjourn, Linda seconded and the meeting was adjourned at 8:02pm.

Next Meeting: Aug 21, 2017 7pm

Respectfully submitted,

Jean Sauer

Warwick Historical Commission, Secretary
