

PROCEDURE FOR OBTAINING A DRIVEWAY PERMIT

1. Fully complete the application for your permit making sure to date and sign it and return it along with the required application fee. The applicant for a permit may be the owner or owner's agent. (Please note that although the application fee is non-refundable, it will be applied toward the total cost of your permit(s), with the balance due at pick-up.)
2. After the application has been approved, the applicant will be contacted when the permit is ready to be picked up and informed of the balance due. At pick up you will be asked to sign all copies of the permit, pay the balance of the permit fee and you will be given a check list with the inspection requirements for your project.
3. Permits are valid for one (1) year from date of issuance.
4. If you have any questions concerning your application, please contact Kraft Code Services at 610.775.7185. If no one is available when you call, please state the municipality your call pertains to and leave a detailed message.
5. **PLEASE NOTE:** No construction may begin without paying for and receiving your approved permit. Performing work without a permit will result in the doubling of all permit fees.

The following requirements must be met for approval of your driveway permit application:

- Application fee. (*Applications received without the required application fee will be considered incomplete and will not be processed.*)
- Fully completed Driveway Permit application
- For new driveways or for modifications, include a plot plan or sketch showing driveway location on the site and completely fill out page 2 of this application. Please note the following:
 - ✓ The first 20 feet of the driveway must be paved
 - ✓ For new driveways, the centerline must be marked with a minimum 24" tall stake and marked as driveway center
 - ✓ All driveways must be inspected prior to paving (to insure proper storm water drainage) and after paving and sealing is complete.
- Proof of contractor workers' compensation insurance or notarized exemption form

 Driveway modification with State or Township right-of-way
 Install ditch, drain or sanitary sewer on State or Township street, road or right-of-way

Cost of driveway improvement: _____ Approximate date work will begin: _____

Material to be used: _____

Width of driveway: _____ Distance from centerline of roadway to gutter or ditch: _____

Brief description of work: _____

Note: All driveways must be inspected prior to paving (to insure proper storm water drainage) and after paving and sealing is complete.

By applying for this permit, I acknowledge that all information provided in this application is complete and accurate, that the work performed will be in conformance with the Pennsylvania Uniform Construction Code and/or any applicable ordinances of the municipality in which the work is to be performed as well as in accordance with the approved plan after a plan review has been completed. I understand that this is not a permit to begin work, but only an application for a permit and that work is not to start without a permit and that the fees for the permit may be doubled if work starts without a permit. I understand that if I give false information regarding this permit application that any permits issued based on this information will be invalid and the municipality could initiate legal proceedings against me, which could result in my being fined or imprisoned, or in the improvement being removed at my expense or any other legal remedy appropriate under the circumstances.

CERTIFICATION

FOR WETLANDS / BURIED SOLID WASTE

WETLANDS

I hereby certify that I am fully aware of, and acknowledge that construction on or use of any property may be significantly restricted or totally prohibited by Federal Law. Lands that are identified as "wetlands" by the United States Army Corps of Engineers cannot be used unless and until a permit is issued by the Corps. Before commencing subdivision, construction or any other improvement of any land, the owner or his/her agent should contact either the Corps of Engineers or a qualified professional to determine whether or not said land could be considered either in whole or in part a "wetland." The Corps has the authority to require the removal of any improvement placed within a "wetland" by the owner of such land regardless of the cost of the removal or other effect upon the landowner.

No agent or employee of the municipality in which this work will be performed has made any effort to determine whether or not all or a portion of said land constitutes a "wetland." The granting of a building permit, occupancy permit, onsite sewage disposal permit, or subdivision approval by the municipality DOES NOT in any way imply that the land does NOT constitute a "wetland," or that a permit has been issued by the Corps to place an improvement upon the land, or that it is not necessary to determine if any portion of the land constitutes a "wetland." Any person who proceeds with subdivision, construction, or the placing of any improvement upon land without prior Corps review and/or approval does so AT HIS OWN RISK WITHOUT ANY RESPONSIBILITY ON THE PART OF THIS MUNICIPALITY, ITS AGENTS OR EMPLOYEES!

BURIED SOLID WASTE

I hereby certify that I have not buried any solid waste on the property of this application. I acknowledge that the Commonwealth of Pennsylvania Solid Waste Management Act specifically prohibits the disposal of solid waste except at legally permitted landfills.

I understand that violation of this act may result in prosecution by appropriate agencies of the Commonwealth.
