

PROCEDURE FOR OBTAINING A PLUMBING PERMIT

1. Fully complete the application for your permit making sure to date and sign it and return it along with the required application fee. The applicant for a permit may be the owner or owner's agent. (Please note that although the application fee is non-refundable, it will be applied toward the total cost of your permit(s), with the balance due at pick-up.)
2. For residential applications, the Building Inspector has a 3 week period to review and approve or deny your permit application. For non-residential (commercial), 6 weeks is allotted. Make sure there are daytime and evening telephone numbers for the Building Inspector to reach you should there be any questions about your application.
3. After the application has been approved, the applicant will be contacted when the permit is ready to be picked up and informed of the balance due. At pick up you will be asked to sign all copies of the permit, pay the balance of the permit fee and you will be given a check list with the inspection requirements for your project.
4. Permits are valid for one (1) year from date of issuance. The building official is authorized to grant, in writing, one or more extensions of time, for periods not more than 180 days each. The extension shall be requested in writing and justifiable cause demonstrated. An additional fee will apply.
5. If you have any questions concerning your application, please contact Kraft Code Services at 610.775.7185. If no one is available when you call, please state the municipality your call pertains to and leave a detailed message.
6. **PLEASE NOTE:** No construction may begin without paying for and receiving your approved plumbing permit. Performing work without a permit will result in the doubling of all permit fees.

The following information should be included with your permit application:

- Application Fee (*Applications received without the required application fee will be considered incomplete and will not be processed.*)**
- Fully completed Plumbing Permit application
- Sketch or detailed description of work to be done
- Riser diagram showing existing and new fixtures, sanitary and vent piping
- Proof of contractor workers' compensation insurance or notarized exemption form
