

Warwick Township Historical Commission
Minutes
April 15, 2024

Members Present: David Lignore, Karl Snyder, Janet Gebhardt, Elaine Adams, Matt Tongiani

Call to Order: David Lignore called the meeting to order at 7:04 PM.

Approval of Minutes: David Lignore made a motion to approve the minutes of March 18, 2024. Matt Tongiani seconded the motion. The motion was approved.

Public Comment: There were no Public Comments this evening.

Cupola Furnace District: Maureen has sent an email to Karl Snyder regarding issues with the Cupola Furnace District. Karl will send this email to all HC members.

Iron Bridge/Trash Trucks: The trash companies have claimed that they have changed their truck routes so that the Iron Bridge is no longer being used. Waste Management, White Tail, and A. J. Blosenski all service this area. There is an 8-ton weight limit on the bridge, but an empty trash truck usually weighs 26,000 pounds, which is 5-ton over the limit. An idea was offered to have the Road Crew post signs stating "No Trash Trucks Allowed" on this bridge. It has been reported that people have noted seeing trash trucks again using the bridge recently. Matt Tongiani said that he will continue to follow up on this situation.

Adjournment: David Lignore adjourned the meeting at 7:15 PM.

Respectfully submitted,
Janet H. Gebhardt, Secretary
Warwick Township Historical Commission
