Public Comment: There were no public comments at this meeting.

Iron Bridge/Trash Trucks: An informative email sent from Maureen Noonan to Karl Snyder and Warwick Township is attached to these minutes, as well as an informative email from Eric Quinn. We discussed both the Iron Bridge situation and the concern regarding Whitetail and AJ Blosenski Trash companies. The decision was made to wait and see what additional information we receive before making any decisions.

Cupola Furnace District: Colleen Patton, Warwick Township Administrator, provided the HC with information regarding the Community Preservation Program Fact Sheet written by Pennsylvania State Historic Preservation Office to guide us in the necessary steps to register and preserve the Cupola Furnace District. A copy is attached to these minutes.

America 250: Eileen Cameron, Chair of the Warwick Township Board of Supervisors, provided a copy of a letter from The County of Chester,

giving details about the upcoming 250th Celebration of our nation, and providing some suggestions as to how Warwick Township could participate in the celebration. Discussion followed, and it was determined that we will continue this discussion at our next HC meeting in July.

Adjournment: David Lignore adjourned the meeting at 7:21 PM.

Respectfully submitted,

Janet H. Gebhardt, Secretary
