Minutes
March 17, 2025**

Members Present: Karl Snyder, Matt Tongiani, Janet Gebhardt

Call to Order: Karl Snyder called the meeting to order at 8:07 PM.

Approval of Minutes: Karl Snyder made a motion to approve the minutes of February 17, 2025. Matt Tongiani seconded the motion. The motion was approved.

Public Comment: There was no Public Comment this evening.

America 250: Eileen Cameron discussed Quincentennial event possibilities. Ideas are for Town tours, carriage driving presentations, Warwick Park days, and other similar events. Eileen is adding relevant books to the Township Library in the Warwick Township Building.

Discussion continued regarding possible applications for the Pennsylvania Historical & Museum Commission (PHMC) revitalized Historical Marker Program. The nomination process has been streamlined to make it easier to request markers to honor our community history. Ideas are welcomed for historical events, persons, or places unique to our community to be included in this process.

Colleen Patton, Township Administrator, will be attending a Chester County meeting next week, where she will be gleaning additional information about the Quincentennial Events for Chester County, which she will share with us.

We will continue our America 250 discussion next month.

Adjournment: Karl Snyder adjourned the meeting at 8:40 PM.

Respectfully submitted,

Janet Gebhardt, Secretary
Warwick Township Historical Commission
